Agreement For Use of Therapy Session Transcripts for Training / Consultation

We _____ (“Client/Couple”) consent to our therapist _____ (“Therapist”) sending written transcripts of up to 20-30 minutes of our therapy session(s) to Brent Bradley, Ph.D. and Jim Furrow, Ph.D. (“Consultants”) and other therapists participating in the private group teleconference. This is in order that our therapist can receive further training from the consultants in the EFT model of Intervention. We understand that our names will be removed from the transcripts, along with any and all identifying information, before being sent. We understand that the contents of the session(s) and the consultants’ feedback to the therapists will be kept private and confidential by the consultant and all group members.

We give permission for the transcript(s) to be sent as an email attachment to Dr. Bradley, Dr. Furrow, and other therapists that are part of the training and consultation group. We understand that these transcripts will be deleted by all participants immediately following the training/consultation hour in which they are presented.

We also agree that the consultant is only responsible for providing training/consultation to the therapist on the use of the EFT model of Intervention. This training is a service to the therapist. The therapist is then solely responsible for the conduct of our therapy sessions and any outcomes of these sessions. In consideration of the consultants providing the training to the therapist in the EFT model of Intervention, we the client/couple agree that the consultants Dr. Brent Bradley and Dr. Jim Furrow, and/or any group member shall not be, in any way, held responsible by us or by any other person associated with us for what occurs in any of our therapy sessions or the outcome of those sessions.
